LIBERTY SHIELD[®]

ELITE

INFUSED WITH CERAMIC TECHNOLOGY

Refer to the limited warranty for complete terms, conditions, limitations, and exclusions.

©2021 Automotive Protection Systems, Inc.

866-957-3377

Exterior protection that is infused with advanced ceramic technology. This technology creates a durable surface which provides a strong barrier between your vehicle's paint and the environment.

Interior leather and vinyl protection that inhibits UV damage and keeps surfaces looking and feeling brand new. Saddle leather and pigmented plastics, like door trim and consoles are covered.

Interior fabric protection that encapsulates and seals each fiber to prevent stains from setting in. Coverage includes expanded protection against bacterial odors caused by mold or mildew.

CERAMIC PROTECTION

PROTECTION AGAINST:
